The image shows a screenshot of an IDLE Shell window. The title bar reads "IDLE Shell 3.11.0 - C:/Users/ARAVINDAN/Desktop/py script.py (3.11.0)". The menu bar includes "File", "Edit", "Shell", "Debug", "Options", "Window", and "Help". The main text area contains the following text:

```
Python 3.11.0 (main, Oct 24 2022, 18:26:48) [MSC v.1933 64 bit (AMD64)] on win32
Type "help", "copyright", "credits" or "license()" for more information.
>>> print("Python script")
Python script
>>>
```

The status bar at the bottom right indicates "Ln: 5 Col: 0".
